

85 Series

Ultra Heavy-Duty Bill Counter

- ▶ Super-high capacity hopper holds up to 1,000 bills—perfect for high cash volume operations.
- ▶ Accommodates both new and worn bills with 3 adjustable speed settings: faster speed for new bills, slower for worn bills.
- ▶ Built to last with a durable steel construction.
- ▶ Customize batch amounts from 0 to 999 bills.
- ▶ Add + Batch mode tallies a continued count of bills while also pausing each time the batch number is reached.
- ▶ The 85 UV model includes an ultraviolet counterfeit detection system to ensure bills are authentic with far greater accuracy than a simple pen or UV light. The 85 UV/MG model includes both ultraviolet and magnetic ink detection systems.
