

# 5700 Series

## Bill Counter with ValuCount™

- ▶ Revolutionary bill turner design— combining the ease of use of a top-loading bill counter with the economical design of a back-loading counter!
- ▶ Counts up to 1,300 bills a minute to make quick work of any cash amount.
- ▶ ValuCount™ uses the selected denomination to calculate the total monetary value of bills counted. Functions include Count, Add, Batch and Add plus Batch.
- ▶ Ultraviolet sensors check for counterfeit bills and stop counting with an alert if a suspect bill is detected. The UV/MG model includes magnetic ink detection as well for an extra layer of security.
- ▶ Infrared detectors ensure that bills are counted accurately and avoid errors such as chains, double bills and half notes.
- ▶ Cassida is America's #1 brand in business-grade cash handling solutions. Backed by a one-year warranty and a helpful, US-based support team.
